01 PROFILE

Results-oriented, highly proficient Flutter Developer with over 2 plus years experience with real passion for mobile and web application development using Flutter. I have a solid background in creating complex flutter applications. I can work independently and respect a deadline. I feel comfortable working with a good team of developers. I am seeking a new opportunity that will allow me to further expand on these skills.

02 EDUCATION

Sep 2018 — Jul 2022

Saint Petersburg
